No rip-off policy

Our rooms have everything you need and nothing you don't. Everyone gets water, fresh milk, coffee and tea, and a fridge that's yours to stock with snacks and drinks from our Hox Shop, where you'll find beers, wines and soft drinks at supermarket prices.

Feelin' peckish?

Perfect for a tippie or two, Barbue is a flamboyant cocktail bar that's inspired by turn of the century Argentina. In the mood for comfort food? Then head to the Breman Brasserie, our European restaurant that's big on seafood dishes, create-your-own bagel towers and desserts.

The neighbourhood

As always, we've chosen a neighbourhood with loads of personality - the hotel is located in the Eastern Docklands (Oostelijke Eilanden), a vibrant cultural hotspot on the banks of the IJ waterway where a rich maritime heritage mixes with thriving urban regeneration - expect quirky architecture, design shops and galleries. One of our favourite corners of Amsterdam, here you've got it all, with the sights in easy walking distance, as well as a more local way of life to dip in and out of.

Did you know

Surrounded by water, the Oostelijke Handelskade is home to some of Amsterdam's most innovative architecture, including a 300-foot-long crimson bridge that winds like a snake: the Pythonbrug.

How to get here

Rietlandpark tram stop is just three minutes' walk away from here and Central station is an eight-minute drive away, where you can hop on regional and international trains.
