Turn your wedding day into an Italian fairy tale

A cool breeze caresses your veil. Behind you you feel the presence of your closest family and dear friends. Your hand is in your partner's hand while the bride tells entertaining anecdotes leading up to your magical moment of the big 'yes'. Your gaze wanders to the green valley full of hazelnut trees and groves of greenery. In the distance you can see the tower of Murazzano where you will soon be served the wedding dinner. The bright sun warms your back and you feel the love flowing. This is exactly how you imagined this special moment. Even more than that! Does this apply to you?

From spring 2024 it will be possible to get married at I Muri - Piemonte. The small-scale charming park is fully equipped and will pamper the bridal couple and their guests for two days. Accommodation is for a maximum of 32 people in nice accommodations, let them enjoy lazy hours in and by the pool and sit down for breakfast and pizza evening. Flood them with the Italian Dolce Vita.

We are Fred and Irma from I Muri - Piemonte and we are happy to be your hosts.
