WEDDING CEREMONY € 550,00

## BEACH CEREMONY

Have you always wanted to say “I do” with your feet in the sand? Our beach setting with wooden gazebo and linen cloths creates a romantic beach vibe. The sun on your face, the sea as a backdrop, and your guests relaxing on the beach. This is how a real summer wedding by the sea should feel. Strong winds or rain on your wedding day? **We’ve got you covered.** Our event team will ensure that the atmosphere of your beach ceremony is felt in the Baia Garden.

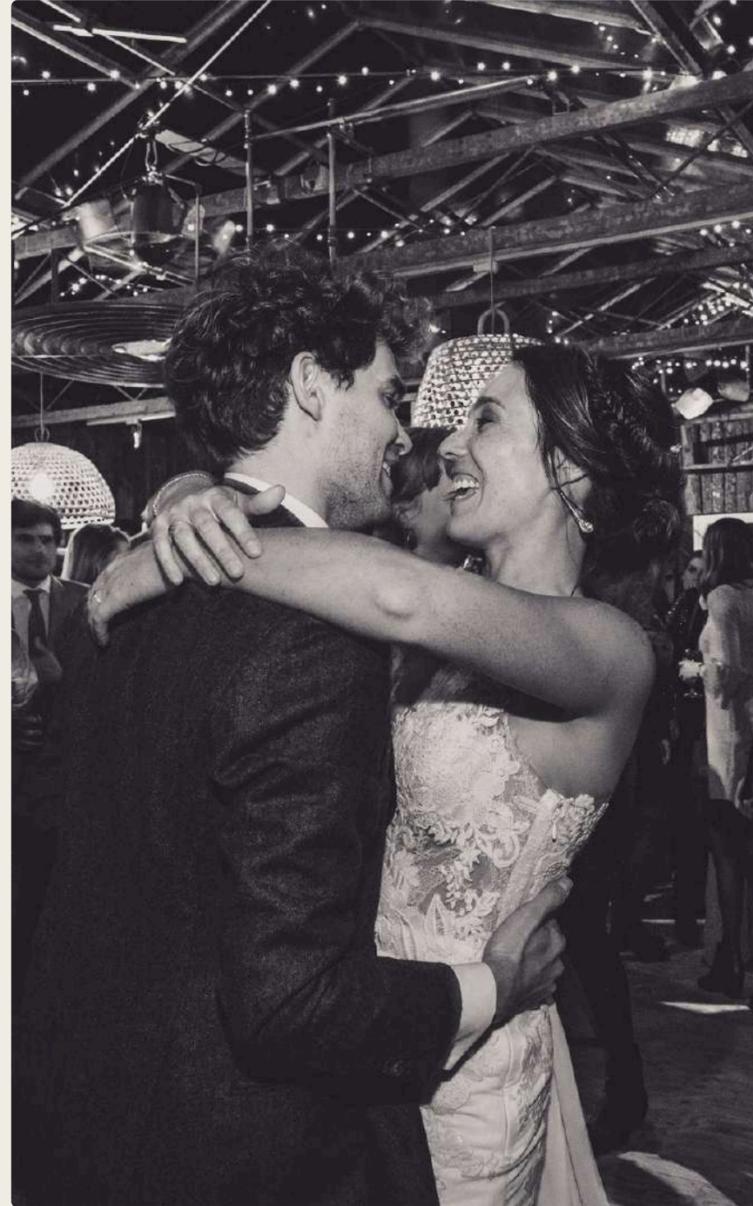

## WINTER CEREMONY

Getting married on the beach, but in winter. With the rough sea outside and the fires burning inside. Sounds romantic, doesn't it? The Baia Garden is the place where inside feels like outside. The perfect spot for a ceremony. Here you say “I do” with the feeling that you are outside. **Getting married with the setting sun?** That's possible. Opt for an evening ceremony by the sea. Watch the sun slowly sink into the sea as you say “I do” in an intimate setting.

## COZY CEREMONY

Looking for an intimate wedding setting? But with the sun shining on your face? Then the Baia Garden is the place for you. This is a bright, versatile space where the roof can be partially or fully opened. Perfect for your intimate beach wedding. **Inside and outside flow seamlessly into each other here.**
